

'Lyndarum North by AVJennings Community Grants Program 2024'

Terms & Conditions

May 2024

AVJennings may offer grants to eligible community organisations which make a successful application for a community grant.

The Lyndarum North Community Grants Program provides one-off grants to support grassroots community activities and is not intended as a recurring funding source.

The applicant (organisation or group) must reside within the City of Whittlesea.

AVJennings in its sole and absolute discretion shall determine (which shall be final and binding):

- Whether any application is successful and the criteria upon which such determination is made
- The amount of any grant
- When applications will be considered

Successful applicants must provide evidence of use of the funds in the form of tax invoices or other suitable documentation if requested.

Successful applicants agree to participate in any reasonable request to participate in marketing activity without fee.

AVJennings is not liable for any loss or damage suffered or for personal injury or death suffered in connection with such marketing activity of the grant application process, except to the extent it cannot be excluded by law.

Applications for this round of community grants close 12pm on Friday, 28th June 2024.
