

Installation of a Roundabout at the intersection of Stebonheath and Womma Roads- concept plan

Stebonheath and Womma Roads Intersection Upgrade

Dear Resident / Business Owner,

The South Australian Government has committed \$3.5 million to improve safety for all road users by installing a roundabout at the intersection of Stebonheath and Womma Roads, Edinburgh North.

The existing four-way intersection will be upgraded to a single lane roundabout and includes:

- Pavement construction and surfacing;
- New median, kerb and gutter construction;
- New pedestrian refuges and ramps;
- New line marking;
- Upgraded LED lighting for the extent of the project;
- Vegetation removal and landscaping; and
- New signage on all approaches, and within roundabout footprint.

A concept plan is attached.

Major construction is expected to commence in late 2020/early 2021, and be completed mid-2021, weather permitting. Further updates will be provided as works progress.

Telstra service relocation works are planned to take place **from Monday, 1 June, with completion expected 12 June**, weather permitting.

The works will be undertaken each day, **Monday to Friday, between the hours of 9am and 4pm**, and include directional drilling, pit works and the reinstatement of grassed areas, footpaths and road reserve.

Details regarding any service interruptions will be managed by Telstra.

Speed and lane restrictions will be in place during the works. Road users are asked to use extra caution when workers are on site, follow the directions of traffic controllers and observe traffic signage and speed restrictions when travelling through the area.

Access for pedestrians and emergency service vehicles will be maintained and there is no impact to public transport services during these works.

Should you have any questions or require further information please contact the project team via:

- email: DPTI.communityrelations@sa.gov.au
- phone: 1300 794 880

The department appreciates your patience and cooperation while these important works are undertaken.
Kind regards,

Community Engagement and Stakeholder Team
