

Lyndarum North Community Grants 2021

Application Form

Who is Lyndarum North?

AVJennings master-planned community, Lyndarum North, is a blossoming community located within the suburb of Wollert. Lyndarum North's key demographic is made up of first home buyers and young families seeking a place to make a home, not just build a house.

Our community is well positioned close to existing local amenities including shops, schools, childcare, parks, conservation reserves and walking and bike paths. It also has proposed plans for a major town centre, railway station and school.

What is our Community Grants program?

As part of Lyndarum North's commitment to the Whittlesea community, we are looking to establish key relationships with integral groups within the local community. The Community Grants program allows us to work closely with local groups and organisations to reinforce our support for the significant work they undertake through monetary support.

How it works?

This form must be filled out and sent to AVJennings for consideration. AVJennings will assess each application to better understand the needs of each organisation.

How does my organisation apply?

Please complete the following document and submit your application by **Friday, 29 October 2021** to:

Paul Russell
General Manager – Community Relations

Email: prussell@avjennings.com.au

TERMS & CONDITIONS

AVJennings may offer grants to eligible community organisations which make a successful application for a community grant.

AVJennings in its sole and absolute discretion shall determine (which shall be final and binding):

- Whether any application is successful and the criteria upon which such determination is made
- The amount of any grant
- When applications will be considered

Successful applicants agree to participate in any reasonable request to participate in marketing activity without fee.

AVJennings is not liable for any loss or damage suffered or for personal injury or death suffered in connection with such marketing activity of the grant application process, except to the extent it cannot be excluded by law.
