NORTH**

Editor's Note

We are so excited to share the latest update for Lyndarum North as civil works continue to shape the first few stages, and more purchasers choose to make Lyndarum North their future home every day.

The Jade Release is now selling but be quick, land in this release won't last long! A good range of regular shaped allotments are still available and range in various sizes.

We've also held our first Safety Information Session where local safety experts provided future residents with the chance to engage in an open forum for discussion and learn more about safety both in the home and the local community.

In this spring edition we've shared our top gardening tips and local events that are sure to inspire you as we leave winter behind us and spring starts to blossom.

To keep up with this exciting community and to view our latest updates and construction news from Lyndarum North, be sure to follow us on Facebook @LyndarumNorthAVJennings.

Spring 2018

Edition 4

Meet Suzan

We are very happy to introduce you to Suzan, the newest member of the AVJennings team at Lyndarum North. Suzan has worked in customer service for many years, gaining valuable customer service experiences, a skill she utilises every day as a Lyndarum North sales associate. More recently Suzan has worked in the property industry with small and large building companies.

Passionate about working for a community-oriented company, Suzan applied for a position at Lyndarum North because of the friendly and approachable atmosphere that AVJennings is known for.

Joining the team in August, Suzan has already become acquainted with many future Lyndarum North residents. The recent Winter Warmer events have been a great way for her to get to know the community, with fun activities and tasty treats bringing many families to the sales centre.

In her spare time Suzan loves hanging out with friends and family along with staying active.

You can visit Suzan at the sales centre, open seven days from 11am - 5pm or feel free to give her a call on 8888 4852

Safety Information Session - Post Event Summary

In August, our community gathered at Lyndarum North to discuss and answer questions about home security and community safety lead by the Epping Police Station, SES and CFA.

Leading Senior Constable Sandra O'Connor, representing Epping Police Station, lead the presentation on home security, theft avoidance and community safety. The Whittlesea SES Communication Education Officer, Sebastian La Spina discussed the role the SES plays within the community and when it is best to call them for help. Community Safety Coordinator Emily Bonacci, represented the Wollert and District Fire Brigade in her discussion, educating guests on fire safety in the home and offered professional advice. Lyndarum North is dedicated to providing our community with opportunities to learn from our local safety leaders and connect with future neighbours.

We would like to thank the representatives for their helpful advice and commitment to keeping us safe and informed.

Check out our top safety tips from the night in the news & events section of our website. We look forward to seeing you at our next information session.

Spring Recipe

Blue Cheese Tarts With Roasted Cherry Truss Tomatoes

As we move away from the heavy, hearty meals of the colder winter months, spring is the perfect time to explore light, refreshing flavours that come with the warmer weather.

Fresh produce shines as garden parties kick off and we come out to play in the sun. These little blue cheese tarts are a perfect edition to any Spring Racing party or as a snack while enjoying glorious sunshine.

INGREDIENTS

12 cherry truss tomatoes
Melted butter, to grease
2 sheets frozen ready-rolled puff pastry
150g Castello blue cheese
12 small fresh basil leaves

METHOD

Step 1 – Line a baking tray with non-stick baking paper.

Step 2 – Cut tomatoes from the truss, leaving tops intact and place on baking tray

Step 3 – Preheat oven to 220oC.

Step 4 – Brush 12 mini muffin pans with melted butter. Use a 7cm-diameter round pastry cutter to cut 12 circles from puff pastry.

Step 5 – Line muffin pans with pastry discs. Line each

pastry disc with baking paper and fill with pastry weights or rice.

Step 6 – Bake for 8-10 minutes until golden and set aside to cool.

Step 7 – Lower oven temperature to 180oC and roast tomatoes for 12 minutes or until they are slightly soft.

Step 8 – Lightly soften blue cheese with the back of

a teaspoon in a bowl and season with pepper.

Step 9 – Remove pastry weights or rice from the pastry cases.

Step 10 – Divide the blue cheese between the pastry cases.

Step 11 – Top pastry cases with a basil leaf and tomato. Arrange on a serving plate and enjoy!

SPRING GARDENING TIPS

Spring is in the air and there's never been a better time to get out in the garden and nurture it back into shape after the harsh winter months. As the days grow longer and the weather gets warmer, your garden will bloom and come back to life.

This is the perfect time to revitalise your garden and help get it looking its most beautiful and vibrant.

1 – Clean out the garden

The house isn't the only place that needs a little bit of Spring cleaning. Spring is the ideal time to tidy your garden and remove any debris – dead leaves, branches, weeds – from your

garden. It's also a great excuse to enjoy the first taste of the warming sun.

2 – Fertilise

Winter has most likely left your soil dried out and in desperate need of some extra nutrients.

Adding fertiliser to your garden in early spring will provide the soil with the extra food it needs.

3 – Trim and Prune

Following the freezing cold of winter, many trees and shrubs will be full of withered winter leaves. Taking the extra time to prune and trim your plants will give them that extra little push to encourage new growth during spring.

4 – Plant new flowers & shrubs

Spring is the ideal time to plant new flowers and shrubs. The soil is still full of moisture and nutrients and plants have the time to become established before the summer heat waves hit. Consider bulbs such as tulips, lilies, irises and hyacinths which are among the best spring garden plants.

5 – Plant hardy annuals

The warming weather of spring is also a great time to consider planting hardy annuals. By planting annuals early in spring, they'll have plenty of time to properly establish their roots to ensure they survive all season. Consider Godetias, Sunflowers and Chrysanthemums as perfect annuals to plant in spring.
